3RD ANNUAL FOLFAN AMATEUR PHOTO CONTEST

Our annual photo contest has quickly become a popular event, revealing an incredible talent pool of amateur photographers among us! If you have some great photos of the Folsom Lake State Recreation Area, be sure to enter them in this year's contest!

Photo contest submission deadline: March 10, 2018

Contest entries will be presented and winners and prizes will be announced at our **Wild Night with FOLFAN!** event on the evening of Saturday, March 24, 2018. You need to be present to win.

FOLFAN (Friends of Lakes Folsom and Natoma) is a 501(c)(3) nonprofit organization, and a State Park Cooperating Association for the Folsom Lake State Recreation Area. Our mission is: "Enhancing education and recreation opportunities for the public and protecting the wonders and resources of Lakes Folsom and Natoma"

Photo Contest Rules

Our 2018 photo contest is intended for "amateur photographers." How do we define "amateur"? For the purposes of this contest, amateur photographers do not depend on their photography as a primary source of income.

Photographs submitted for the contest must be photos taken at or of the Folsom Lake State Recreation Area (or State Park), including Lake Natoma, Folsom Lake, etc.

You may submit up to three digital photos for the contest in any category below (or combination of categories):

1. Scenic
2. Wildlife
3. Recreation

However, each photographer can win only one prize (either first, second or third place) in the photo contest.

The photo contest submission deadline is March 10, 2018.

Please submit your photo(s) by emailing them to Jim Cassio at jim7@cassio.com. Be sure to include a title or brief caption for each photo. Also include your name, address and phone number.

Note: Any photo you submit to our Photo Contest automatically gives FOLFAN the right to use the photo anytime for FOLFAN promotional purposes (with appropriate credit given).
