

# EARTH DAY KAYAK KLEANUP AT LAKE NATOMA

## WHEN

**Sunday, April 22th, 2018  
10:00 am to 1:00 pm**

## WHERE

**Nimbus Flat Recreation Area at Lake Natoma, off Hazel Avenue, just North of Highway 50**

Please join us for the FOLFAN Annual Earth Day Kayak Klean-up and have a great time paddling at Lake Natoma for a couple of hours while picking up trash from our kayaks or from the shoreline.

This year we'll also be collecting water hyacinth, an aquatic plant native to the Amazon basin, but a highly problematic invasive species in our area.

## BRING

A hat, sunscreen and a water bottle! FOLFAN will supply water, snacks, garbage bags, and a garbage grabber.

## REGISTER

Please email Linda McDonald at [president@folfan.org](mailto:president@folfan.org) with the names of participants and whether you will:

1. Borrow a tandem kayak
2. Bring your own kayak, or
3. Kleanup on land

We'll follow up with information on parking and the exact meet-up location.
