

# PHOTOGRAPHY WORKSHOP by Lewis Kemper:

## Light, Color, and Composition!

Whether you're an accomplished photographer or just a nature lover with a cell phone, this class offers something for everyone! Taught by Sacramento photographer and instructor Lewis Kemper, this 2-hr class will discuss the most important aspects of creating memorable photographs.

Date: April 8, 2023

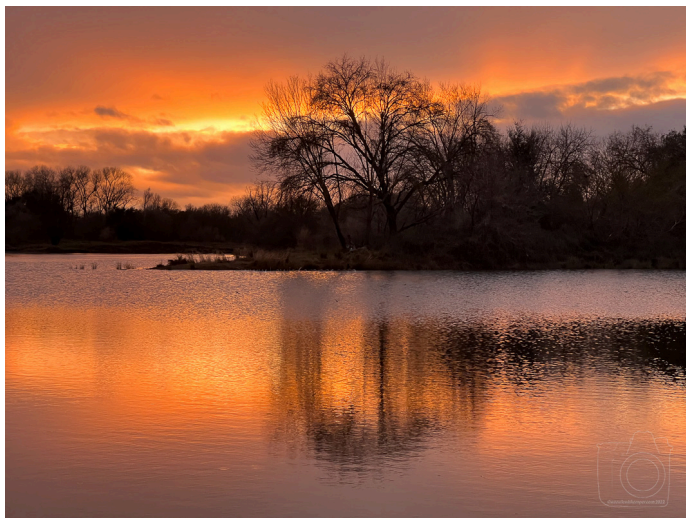

Time: 9 am-11 am

Location: Folsom Powerhouse State Historic Park  
9980 Greenback Lane, Folsom

This workshop is for FOLFAN members and donors. Join or renew here: [www.folfan.org/support-us/](http://www.folfan.org/support-us/). If you're not sure of your member status, please contact Karen Shaffer, our membership coordinator, at: [kshaffer27@gmail.com](mailto:kshaffer27@gmail.com). You may sign up by emailing your name, phone number, and preferred email address to photography coordinator Sally Cullen at: [sally.chad.cullen@gmail.com](mailto:sally.chad.cullen@gmail.com).

What you will learn! **Tips to improve your photography** –Taking good pictures isn't a matter of equipment but of seeing and capturing what you want to convey. Stepping back and planning how to get great photos will elevate your images to the next level!

### Lewis will discuss how to:

- Compose more varied and compelling images.
- Expand your ability to "see" images.
- Learn how to think about the direction and characteristics of light.
- Use color to enhance your compositions.
- Grasp the concept of the color wheel and how to use color relationships.
- Give a distinctive feel to your images based on different color combinations.
- Master composition fundamentals, including the Rule of Thirds, Leading Lines, Repeating Patterns, Horizon Placement, S Curve, Symmetry, and Vanishing Point.
- Simplify your images and emphasize the important elements of the composition.
